

Our Online Safety Promise

Amington Heath Primary School and Nursery

Children's Online Safety Promise

At Amington Heath, we use computers, tablets, the internet and other technology to help us learn, create and communicate.

We want everyone to enjoy using technology safely and responsibly.

When I am online, I will:

- Be kind and respectful to others.
- Keep my personal information private.
- Think carefully before I click, share or post.
- Only use websites, apps and games that an adult says are okay.
- Tell a trusted adult if something online makes me feel worried, upset or unsafe.
- Remember that not everything online is true.
- Use technology responsibly and look after school equipment.
- Never use technology to hurt, embarrass or upset someone else.

If something goes wrong online, I will:

STOP what I am doing.

CLOSE OR MINIMISE the screen if I can.

TELL a trusted adult straight away.

Our online safety motto:

Safe. Kind. Respectful. Responsible.

Pupil Agreement

I have read and understood the Amington Heath Online Safety Promise and will do my best to follow these rules whenever I use technology at school
