The Amington Adventure

NEWS FROM AMINGTON HEATH PRIMARY SCHOOL AND NURSERY

Welcome to a new school year

It has been wonderful to welcome everyone back to Amington Heath Primary School and to see the children return with such enthusiasm for learning.

Our school is a happy, nurturing community where children are encouraged to be curious, kind and ambitious. The classrooms have been full of smiles, excitement and a real eagerness to learn, and we are looking forward to all the opportunities and experiences this year will bring.

Through our inspiring curriculum, high quality teaching and strong partnership with families, we will continue to support every child to thrive both academically and personally.

Thank you, as always, for your ongoing support. Together, we can ensure that every child has a successful and enjoyable year at Amington Heath.

Mrs C. Davies

Safeguarding Spotlight

Our Safeguarding Team

Mrs Davies
Designated Safeguarding Lead

Mrs Starr
Deputy Designated Safeguarding Lead

Mrs Holland
Deputy Designated Safeguarding Lead

Online Safety

Please talk to your child about keeping personal information private online, speaking to a trusted adult if something makes them uncomfortable and using age-appropriate apps and games.

Concerns about a child outside of school?

If you have a serious concern about the safety of a child or young person, please contact the SFIFD service immediately.

0300 111 8033

Is the child at risk of immediate harm?

If you believe a child is at risk of immediate harm, this must be reported to the police on **999** or **111**.

Something doesn't feel right?

You don't need to be certain before sharing a concern. If something worries you about a child, please speak to a member of our safeguarding team.

Our Learning Adventures

Little Learners All About Me

Children learn about themselves, their families, their feelings, and what makes them special.

Little Explorers All About Me

Children explore different families, develop friendships, learn how to be kind and caring,

Reception Different Cultures

Children learn about the different people, traditions, languages, foods, celebrations, and beliefs that make our world special.

Year One Memory Box

Children explore how toys and childhood have changed over time through history and art.

Year Two A Mad Hatter's Tea Party

Children explore different materials to design and make a hat before creating healthy snacks for a magical tea party.

Year Three Stone Age

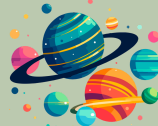

Children learn about life in prehistoric Britain before creating their own Stone Age-inspired artwork.

Year Four Romans

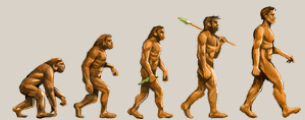

Children discover how the Romans lived and influenced Britain then explore the geography of Rome.

Year Five Cosmic

Children design and make space-themed fairground rides before learning about the Solar System.

Year Six Darwin's Delight

Children learn about evolution and adaptation before designing and making an animal tracker.
